

# Floor Mat Care & Cleaning Guide

## PROPER MAINTENANCE

Proper maintenance will extend the life of your mat and help retain its appearance. Placement of the mat and amount of foot traffic will determine the frequency and extent of maintenance required. Developing a regular schedule for maintenance is strongly recommended. Use the chart below to determine the best cleaning option for your mat.

Catalog Item #	Item Name	Spot Clean	Wipe with Damp Cloth	Vacuum	Hose Off	Launderable	Shake Out
